AVID APPLICATION INFORMATION
for 2017-18**

AVID is a program for students who have a GPA of 2.0-3.5 and a strong desire to go to a four-year college or university. Although AVID serves all students, it focuses on the least served students in the academic middle. Students in the program take the AVID class at the same time they are enrolled in rigorous courses. The class focuses on writing, critical thinking, collaboration, reading, note-taking, study skills and college/career/motivational activities. Students are expected to keep an organized binder and take notes in every class every day of the week. Tutors are in the AVID class twice per week.

If you think AVID sounds like a good program for you, complete the applications attached and *ask one teacher to complete a recommendation.*

All students who apply must also participate in an interview before they will be considered for admission.

Dear Middle School Teacher,

Attached is a recommendation form for the AVID program. AVID, which stands for Advancement Via Individual Determination, is offered at both Robbinsdale and Plymouth Middle Schools. Students must apply to the program and complete an interview.

The mission of AVID is to ensure that all students, and especially the least served students in the academic middle capable of completing a college preparatory path:

- will succeed in rigorous curriculum,
- will enter mainstream activities of the school,
- will increase their enrollment in four-year colleges, and
- will become educated and responsible participants and leaders in a democratic society.

The following description will assist you in understanding the program and the type of student who would benefit.

The typical AVID students are in the academic middle (B, C, possibly D students), have the desire to go to college and willingness to work hard. These students are capable of completing rigorous curriculum with support, but currently fall short of their potential.

AVID students:

- Have average to high test scores
- Have a 2.0-3.5 GPA
- Have college potential with support
- Exhibit desire and determination

AVID students typically meet one or more of the following criteria:

- First to attend college
- Underrepresented in 4-year colleges
- Low income
- Special circumstances (foster care, single parent family, etc.)

*Thank you for agreeing to complete this recommendation.
Please return it to your school's counseling office by **January 27, 2017.**
DO NOT return to student!!*
